

NORTHWEST

LATINO

FARMER CONFERENCE

May 7 & 8, 2025

NCAT invites you to become a sponsor of the inaugural Northwest Latino Farmer Conference for Spanish-speaking farmers and ranchers. Sponsoring this event provides critical financial support needed to expand services requested by the Latino farming community in the Northwest. Being a sponsor offers an excellent opportunity to increase the visibility of your business or organization while showing your commitment to Latino farmers in sustainable agriculture. Join us in providing Latino farmers of the Northwest with the latest Spanish language information and resources.

Your sponsorship will be instrumental in creating the conference. Sponsorships allow us to bolster our outreach efforts and offer honorariums for our farmer keynote and speakers. Additionally, your sponsorship will help provide meals for all attendees and scholarships for farmers traveling more than three hours to the conference.

*****All tabling opportunities will take place on May 8th. Tickets included with sponsorship are for May 8th only, field day tickets are handled separately and cost \$25. Visit our ticketing page [here](#).**
